

NYS CCF (project lead)

- Facilitate parent choice and knowledge campaign, develop parent portal, parent leadership conference, family life skills workers at homeless shelters, Pyramid Model Hubs and technical assistance coordination.

CUNY

- Increase professional development and leadership for early care providers.
- Expand Aspire Registry.
- Develop career pathway centers at CRRs.
- Provide early childhood leadership mentoring.
- Increase reach of QUALITYstarsNY.

NYS DOH

- Align NYSB5 with the First 1000 Days on Medicaid.
- Collaborate with the NYS Education Department to promote smooth transitions for children from Early Intervention to Preschool Special Education.
- Support home visiting coordination initiative.

NYS ECAC

- Invite parents to participate on the ECAC.
- Develop NYSB5 strategic plan and assign implementation responsibilities.
- Address how to improve transitions and integrate services.

NYSED

- Support regional kindergarten transition forums and NYS P-3 Summer Institute.
- Collaborate to align NYS TA system.
- Collaborate with the NYS Department of Health Division of Family Health to promote smooth transitions for children from Early Intervention to Preschool Special Education.

NYS OCFS

- Support connections to child care sites and the promotion of OCFS child care PSA and resources for parents.

NYS OMH

- Develop and implement regional in-person DC: 0-5 training for a broad audience as well as web-based trainings.

NYS OTDA

- Provide guidance in identifying shelters to house family life skills workers.
- Provide support to ensure families have knowledge and access to needed supports to promote healthy development (i.e. SNAP, HEAP, employment support and housing).

SUNY

- Conduct comprehensive statewide needs assessment with input from a broad range of stakeholders including families and vulnerable populations.
- Develop online data platform.
- Advance efforts to build an early childhood integrated data system in NYS.
- Track progress in meeting project outcomes.
