## **New York State** Pyramid Model

**This 4 part series is designed to walk Centers, Schools, and Family Child Care Programs through the steps to become a Pyramid Model Program**

### **SESSION 1: Overview of the Pyramid Model**

During this session participants will learn how the Pyramid Model supports the social emotional development of children birth - 5, develop an understanding of the concepts and supports at each level of the Pyramid, and see how the Pyramid Model works in partnership with other New York State systems. (1-hour)

### **SESSION 2: Becoming a Pyramid Model Program**

Participants engage in a detailed discussion of Program-Wide Implementation and supports available through the NYS Pyramid Model Partnership. Topics include using a systems approach, aspects of program-wide implementation, and of next steps. (1-hour)

### **SESSION 3: The Application Pre-planning Tool**

Deep dive into all considerations and requirements for becoming a Pyramid Model Program. Participants walk through the Pre-Application Planning Tool and learn how to apply. (1-hour)

### **SESSION 4: Your Leadership Coach as Your Guide**

Working directly with a Leadership Coach, each Provider takes a step by step journey through setting up their program in the Pyramid Model Implementation Data System (PIDS), completing the Benchmarks of Quality, creating an Action Plan, and the data based decision making process. (1-hour)
