## Low-Income Children Ages 3 and 4 Not Enrolled in Preschool: 2009–2011

**SOURCE** Population Reference Bureau's analysis of data from the U.S. Census Bureau, 2009–11 American Community Survey.

**NOTE** Data for this and other early childhood indicators are available on the KIDS COUNT Data Center at [datacenter.kidscount.org](http://datacenter.kidscount.org).

How are the kids  
in your state?

A child's chances of thriving depend not just on individual, familial and community characteristics, but also on the state in which she or he is born and raised.
